Vendor Code of Conduct: 555 SW Oak LLC recognizes that our dealings with suppliers often take place in cultures with different norms and values. Certain standards, however, as set out in Jones Lang LaSalle's Vendor Code of Conduct, are universally applicable and 555 SW Oak LLC expects everyone with whom it has commercial dealings to meet such standards. 555 SW Oak LLC expects its suppliers to have a natural respect for our ethical standards in the context of their own particular culture. The relationships with our suppliers are based on the principle of fair and honest dealings at all times and in all ways. 555 SW Oak LLC specifically expects its suppliers to extend the same principle of fair and honest dealings to all others with whom they do business, including employees, sub-contractors and other third parties. As a duly selected service provider, your company hereby acknowledges that it has read the attached LaSalle Investment Management Summary Vendor Code of Conduct and Jones Lang LaSalle's Vendor Code of Conduct, which is available at www.joneslanglasalle.com, and shall act at all times consistently with the terms thereof. 555 SW Oak LLC shall have the right, in its sole and absolute discretion, to immediately terminate this Agreement for cause in the event of any violation of the Vendor Code of Conduct by your company.
